

*Offering Victorian charm & Maritime warmth in the heart of Louisbourg,
this 4½-star Bed & Breakfast is one of Cape Breton's finest accommodations.*

Welcome!

Welcome to Louisbourg Heritage House Bed & Breakfast. This former church rectory has been a focal point of life in this seaside community for over 120 years. Now welcoming visitors to Louisbourg since 2002, this beautiful old home continues to offer comfort and enjoyment to all who enter its doors.

One of the stand-out features of our bed & breakfast is its wonderfully convenient location. Nestled between two churches in a peaceful, pleasant setting, Louisbourg Heritage House is situated on Main Street in the very centre of the village, only a mile from the visitor entrance to the Fortress of Louisbourg and just a few doors down from the restaurants, shops, the Louisbourg Playhouse and the waterfront.

Our Bed & Breakfast and four guest rooms are beautifully decorated with tasteful furnishings and guests' comfort in mind. All of our guest rooms are spacious and bright, and most have views of the harbour from either the balcony or the room itself.

During your stay there are many ways to make the most of your visit. Take in the sound of the seagulls and the fresh ocean breezes as you relax on your own private balcony and dream about life as it must have been years ago here in Louisbourg, on Nova Scotia's "seabound coast."

Our sister property, Louisbourg Harbour Inn Bed & Breakfast, is just around the corner.
